

CHARLOTTE MILES

AVID OFFLINE & ONLINE / PREMIERE

PROFILE

Charlotte is an extremely talented and versatile offline editor, with a strong background in storytelling. Her range of credits include both long and short form, working on prestigious and rewarding content with leading production companies for major broadcasters including the BBC and Channel 4.

She has recently returned from the U.S where she produced, directed and edited the iTunes number 1 fitness vodcast and documentary series and is now cutting a range of content from commercials, to feature length factual entertainment and live sports content.

Regardless of the job, Charlotte consistently produces work of the highest standard.
