

## ALEX YOUNG

**AVID OFFLINE | PREMIERE | DA VINCI RESOLVE**

### PROFILE

Alex is an exceptionally talented, multi-disciplined creative offline video editor with 9 years' industry experience.

His work ranges from high profile advertising campaigns to long-form documentaries. Recent credits include Netflix's international hit series '*Formula 1: Drive to Survive*.' Sports doc '*The Making of: Marc Marquez*' for Archer's Mark / DAZN and the BBC documentaries '*Drugs Map of Britain*,' '*The Monkey Lab*' and '*The Things I See: Living with Psychosis*.'

As well as national and global campaigns for XBOX, Mercedes, M&S, Knifefree, Hewlett Packard and the multi-award winning The Big Issue '*Pay it Forward*.'

Clients describe Alex as a delight to work with, fast, extremely reliable and calm under pressure. Regardless of the job, Alex takes great pride in his work, always willing to go the extra mile and consistently delivers to a supremely high standard.

### TECHNICAL SKILLS

**Edit:** Avid | Premiere | DaVinci Resolve

**GFX:** After Effects (Intermediate) | Photoshop (Intermediate)

**Transcoding & Encoding:** Media Encoder | DaVinci Resolve

**Other:** Excellent working knowledge of video & digital formats / codecs
