

JOE CREWE

AVID OFFLINE & ONLINE | PREMIERE

PROFILE

Joe is a highly creative editor with 18 years' industry experience, and has worked for all the major leading UK broadcasters and a multitude of renowned production companies.

Having started his career as an online editor, Joe moved across to offline, cutting documentaries, factual entertainment, comedy, sports shows and branded content.

He is technically competent across post-production disciplines and can comfortably cut, grade and audio mix in a variety of environments and to broadcast specification. Joe is accustomed to working not only under pressure but with an eye for detail, story and creativity.

Above all, Joe is friendly, fast, thorough and has a passion for editing.
