

STEVEN STRUTHERS

AVID OFFLINE & ONLINE | PREMIERE

PROFILE

Steven is a talented and accomplished editor, with a passion for character and narrative driven stories, working on films for BBC, Channel 4, Channel 5 and Discovery Channel, Amazon Prime and Sky.

With over 20 years experience, he specialises in long-form factual and observational documentaries. His previous background in short-form enables him to skilfully bring extra flair and finesse to programmes.

Quick to understand a brief and capable of delivering from concept stage right through to online completion, Steven thrives under pressure, bringing passion and flair to every project, consistently demonstrates creative vision and technical ability.

A keen team player, with a diverse range of credits, clients can feel confident that Steve will always deliver to the highest standard.
